# Partial Translation of Exhibit 3

JP Application Laid-Open H4-57894

Laying Open Date : February 25, 1992

Application No. : H2-170879

Application Date : June 28, 1990

Applicant : Kobayashi Kosei Co.

Title of the Invention : Purified Candelilla Wax and a Preparation Method thereof, and a Solid Cosmetic Comprising the Same.

## Example 3 Pencil-shaped Eyeliner

Components	wt%
(1)polyethylene wax	13.0
(2)purified candelilla wax	20.0
(obtained in Example 1)	
(3)purified white Japan wax	15.0
(4)methylphenyl polysiloxane	10.0
(5)polybutene	5.0
(6)rosin	10.0
(7)glycerin fatty acid ester	the remaining part
(8)pigment	dosage

## Preparation Method

- A. Components (1) to (7) were melted by heating.
- B. Component (8) was added to the product of step A and homogeneously dispersed.
- C. The product of step B was molded into a pencil-shaped eyeliner.
